

WELCOME TO MIST COVE

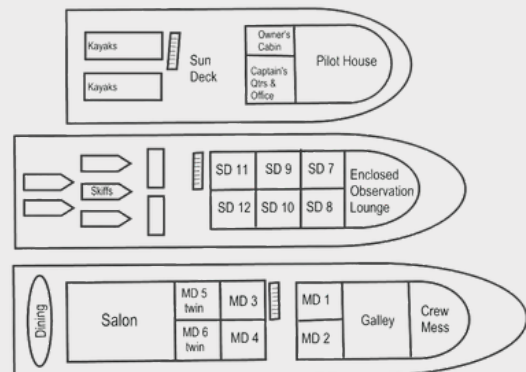

The Boat Company built the M/V Mist Cove as a replica to match M/V Liseron. Constructed from the ground up with heavy-duty aluminum and hand-selected mahogany, every curve of this vessel is designed for luxurious adventuring through Southeast Alaska.

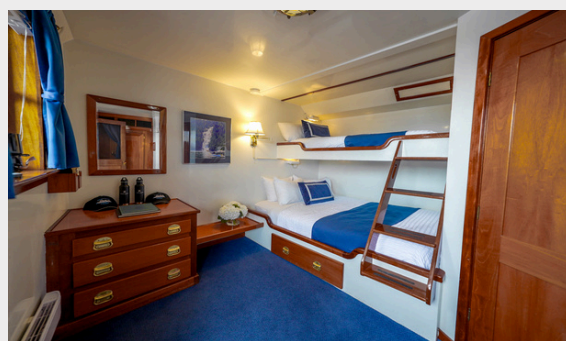

Total Cabins: 12 Passenger Capacity: 24 Length: 157 ft. Width: 33 ft.

ENCLOSED FANTAIL

An elegant dining room highlighted by rich mahogany is aft on the fantail, which is heated and protected from the weather while offering stunning views during your mealtimes.

STATEROOMS

Mist Cove has 12 guest cabins – ten with a queen lower and twin upper bunk & two with double twin bunks – comfortably accommodating 24 guests. All cabins have a private bath with a stall shower, a double wardrobe, several drawers, and a screened door. Temperature controls, standard AC outlets, binoculars, flashlights, towels, linens, hair dryer, shampoo & conditioner are provided.

THE SALON

The main salon, complete with a full bar, is a great community gathering place for movies, reading, socializing, games, and informative presentations.
